Dear Holy Savior Catholic Church.

First receive much and warm greeting from your friend Lucy Kawira Kinyua and entire family members.

How are you there at your country?

I hope you are fine under God's care. I am happy and thankful for helping me with extra money for supporting me and our family members.

I bought leather shoes for school, maize, beans and bar soap.

May God bless you and we promise you and your families daily prayers.

Best wishes from your friend  
Lucy Kawira Kinyua.
