Bear Holy Savior Catholic Church

Receive much and warm Easter greetings from Lucy Kawira and her entire family members. I am Tabitha Kiambi, aunt to her. I am writing on her behalf because she can not be able to write well in English on her own as she is yet to acquire writing skills in English.

Lucy and her family celebrated her Christmas well. They attended mass function before and then later, attended function organised by C.F.C.A to celebrate Christmas with all sponsored children parents, and staff attended. The day had a lot of fun.

The children ate, drank and played together.

We are waiting to celebrate the Easter. We have arranged on how we will visit the sick in the hospital and pray for them.

In school Lucy is doing well. She has been promoted to grade five. Her best subjects are Kiswahili and Mathematics.

Thanks you so much for sponsoring Lucy Kawira. We all appreciate your generous support that you give to her and her family.

God will bless you with your family members as we will continue praying for you. Yours Loving Tabitha Kiambi
For Lucy Kawira Kinyua.
