LUCY KAGWIRA KINYUA

HOLY SAVIOR CATHOLIC CHURCH

Dear Holy Saviour Catholic Church

Receive much greetings from Lucy Kagwira and her entire family members. We hope that you are fine under God's care. as we are here in Kenya. I am Tabitha Kiambi aunt to Lucy Kagwira. I am writing on her behalf since she is not able to express herself in good English.

I am helping her in reading and writing and I hope she will write on her own soon.

Lucy is now ten years old and she is in grade four. she is able to read small story books.

Let me take this chance to let you know that Lucy and her family members have received all Christmas cards, stickers, voice of Holy Saviour staff, stable book & bag.

They are very much grateful for your support that you are giving to their family.

They are wishing you best of luck in your life. They are also promising you their daily prayers to your family and friends. They are also praying for peace and harmony in your country.

May the almighty God be with you and may he bless the work of your hands.

yours Loving

Tabitha Kiambi For
