

Lucy Kawira Kinyora

Holy Savior Catholic Church

3rd December 2012

Dear Holy Savior Catholic Church,

Receive much and warm greetings in the mighty name of our Lord Jesus Christ from your sponsored child Lucy Kawira and her family members. I am Tabitha Kiambi cousin to Kawira. I am writing on her behalf because she is too young to write on her own in English.

On the other hand her aunt who was writing for her before is far away from home. At this time we are preparing for the birth of Jesus Christ where by we sing a nice song happy birthday to you.

On the day of celebration we walk to the church where we celebrate our Mass with other Christian members from home to the church its about three kilo metres.

Also here we had pretty rain where by our crops are looking very nice. Lucy received four card of birthday two note book, two books, drawings and stickers

Thanks you very much for sponsoring Lucy. Thank you once more for the much support that you are extending to her and the entire family.

She wishes you a happy Christmas and happy new year 2013. She also promise you special daily prayers.

may God bless you. yours Faithfully
