### What we are doing

The class just finished lessons on What it takes to be President and Vice President. (Reading & Social Studies) We took polls. The students created pictures and bar graphs (Math). We discussed facts from opinions. The Grand Finale was a Mock Election with Voter Registration Forms and Picture ID Cards. Everyone was very excited.

We are still working on Multiplication and Division. We have conquered 0s, 1s, 2s, 5s & 10s, we are working on 3s and 4s. Please help!!! Monday -Thursday we are sending home practice sheets for homework. Practice, Practice, Practice, is our best weapon in the war to conquer Multiplication and Division!!!

### Notes

- We are in need of copy paper and pencils.  
Check with your kiddo and see if you need to replenish their supplies
- Winter uniforms start November 1 - students must wear pants, shorts are not allowed; only school sweaters or red, white black sweaters without logos.
- Sign agendas daily (there are rewards for 5 signatures)
- Homework Monday-Thursday.
- 40 book challenge is stay going on

### Stay In Touch

Please feel free to pop in and see our class in action or call if you have any concerns, third grade is a time of many changes mentally and physically
